We are now your family, our faces may be new, our names unknown

FM⁷ Em Dm⁷ G
Yet our hearts share with you, the fact that out of all the world

Am Em FM⁷ Em Dm⁷ G C
Our God has chosen you, Our God has chosen you Our God has chosen you to be his own

C Em FM⁷ G Am
We are now your family, the water has up on us overflown.

FM⁷ Em Dm⁷ G
And we stood where you stand, and heard these words of love to us

Am Em FM⁷ Em Dm⁷ G C
Our God has chosen you, Our God has chosen you Our God has chosen you to be his own

C Em FM⁷ G Am
We are now your family, we share in these new seeds which have been sewn

FM⁷ Em Dm⁷ G
Our pledges are to you, vows which reflect the truth

Am Em FM⁷ Em Dm⁷ G C
Our God has chosen you, Our God has chosen you Our God has chosen you to be his own
